Dear Parent / Carer

As you may or may not be aware, alongside our curriculum we run a careers, information and guidance programme to ensure our students are sufficiently well informed and guided through their educational career and into the world of employment.

We work closely with Futures who provide bespoke guidance, interviews and planning sessions to help you and your child navigate the ever changing world of education and employment. In order to run this service efficiently, we need to share basic information about your child and their curriculum with Futures. Futures will store student data according to data protection regulations; this data will not be shared with other agencies and will remain confidential.

If you DO NOT wish for your child's information to be shared with our Future team, please email info@george-spencer.notts.sch.uk so a record can be kept of this not being permissible.

Kind regards

George Spencer Academy
