Dear Parents/Carers,

Re: Year 8 Graduation

I am writing to inform of an exciting project that your son/daughter will be completing this year. During year 8, we will be working towards completing a set of teaching and learning pledges so that each student in the year group can graduate at the end of the Summer Term. The aim of the pledges is to help learners to understand and start to develop the skills they will need as they journey further up the school. The pledges focus on different elements of learning and also on the skills needed to make a contribution to the wider school community. If you would like to look at the pledges, they are all listed on page 8 of the school planner.

Learners will be working throughout the year with their Learning Managers to ensure that they can evidence each pledge and meet the criteria for graduation in the summer term. Throughout the year, Learning Managers will be recording the progress of each student on Google Drive so that we can monitor and track each learner's progress. As a year group, we are looking forward to working on this project over the next two terms and are very much looking forward to celebrating success in the summer.

If you have any questions regarding Year 8 Graduation then please contact either your son/daughter's Learning Manager or the year 8 team.

Yours sincerely,

Ms L. Brown
Year 8 Director of Learning

Mr A. Kerry
Year 8 PSA
